

Commonwealth of Massachusetts

Attorney General's Office.

Boston, 30 Court St. Feb 16 1869

My dear Sir

12 I thank you for  
the suggestions contained in  
your note, and will avail  
myself of them to such an extent  
as may seem to be necessary.

The court moves with some  
deliberation & circumspection;  
but the result can hardly be  
doubtful. Possibly the impression  
made was a little more  
apparent to me than to one

less used to watching courts.

I shall be much surprised  
if we do not obtain in the  
first instance, <sup>after the hearing in March,</sup> and speedily, a  
peremptory order for the  
payment of the money, and,  
in case of failure to obey,  
a prompt removal of such  
trustees as may be necessary.

I am very respectfully  
& truly yours

Charles Allen
